

**“He giveth power to the faint; and to them that have no might  
He increaseth strength.” (Isa 40:29)**

What a tremendous promise of God that He has kept and shown us here in Pergamino to be true. The young people here continue to grow in the Word and in strength spiritually, though some are sorely tried almost daily by family members and old friends who are so contrary to the things of God. Please pray on behalf of these precious people.

### **PRAYER REQUESTS**

- **Souls saved**
- **God’s power upon this ministry**
- **Our young converts**
- **Provision for a property**
- **A ministry partner**

Since our last newsletter, there have been more new visitors in our services. The young converts here are doing a great job inviting those they know to come hear the word of God preached.

Last month, Greg took 6 young people to a 3 day youth conference. They had a grand time, but the best part was that a young man, in our group, **Joaquin, made a profession of faith!** He needs your prayers. He lives some 7.5 miles outside of town but is faithful to come every Sunday and most Thursdays.

### **Traveling, Teaching, & Preaching**

Greg took a trip up north, over 900 miles to teach and preach in a church and seminary in the city of San Miguel. He spent 6 evenings teaching on Biblical Leadership to over 30 students. It truly was a blessing to him. Several students commented afterwards that it was the best class that they have had in a long time. Greg also had the privilege to preach two times while there. During the invitation several dozens came forward with some accepting Jesus as their savior! Greg continues to receive many invitations to teach and preach in several other cities and also across the border in neighboring countries. However, the work in Pergamino takes priority as we desire to organize and constitute this work into a church in June 2010, by the Lord’s grace.

Joyfully Serving The Savior,

*Greg Barnes & Family*
