

## “Summertime Sowing and Reaping”

**“Cast thy bread upon the waters: for thou shalt find it after many days.”** During the course of the past three months we have distributed approximately **50,000 gospel tracts** both here and to other ministries here in Argentina. We are beginning to see the fruits of these evangelistic efforts and many are coming to Christ for salvation. Praise the Lord!

We have been investing quite a bit of time in the lives of Adrian and his half-brother Gustavo. These young men are going through real difficult situations and have taken a liking to us. We have been trying to share the gospel and many other things with them. Please pray for them, they desperately need Christ in their lives. Especially for Adrian, who at age 15 has been abandoned by his mother, has only completed the 9th grade because he has to work and try to survive on his own.

Attendance in our mission work has been down this past month as January is the month when most everybody takes their vacation. The whole society practically comes to a stand-still.

We have been busy taking kids to various Bible camps. Greg drove a total of over 1,400 miles taking various groups to and from two different camps. Here is a photo of one the groups. Our own children had a great time and returned with many stories of the good preaching, decisions made, and of new friends. We praise the Lord for the opportunity to involve these young lives in something that impacts them spiritually and may affect them for the rest of their lives. Please pray for these young ones as they seek to please the Lord with their lives.
