

“Redeeming The Time In 2009”

Dear fellow-laborers, we hope that you had a very blessed Christmas. We did and we want to thank those of you that sent special love-offerings for us! It was such a blessing to us as we received so many cards from churches in Maryland, West Virginia, Texas, Tennessee, Indiana and Illinois. We are humbled and so privileged to share in this ministry with those that care so much for us and the souls of Argentina. Many thanks to you all and may the Lord bless you abundantly!

This month we will be sending our children and others off to summer Bible camp. We ask that you will pray for these; that God will get a hold of their hearts, that lives will be changed, and some will be saved.

Also, towards the end of the month Greg will be starting up his English lessons, for free. Many have expressed interest in this, but we are praying that God will use it to save souls.

The gospel will be presented and the lessons are designed to keep the Bible, God and Jesus before the students each class period.

The Saturday following Christmas, we held a **youth activity** at our house and had **5 teen-agers** come over. We had games, food, and lots of fun! Greg presented a brief and simple devotion to them. Nobody made a decision for Christ, but the seed of the Gospel was sown in their hearts. We continue to pray for these and are trying to work with them more. Here is a picture of the young people. Please pray for them!
