

“...rejoice in Christ Jesus, and have no confidence in the flesh.”

We are thrilled at what God is doing here in our midst. ***This past month we had two young adults accept Christ as their Savior.*** First was Fiamma (fee-ama) a young lady of 19. She came to our house one evening and said she wanted to get saved. It was a glorious experience. Please pray for her as she wants to raise her precious little boy, Bautista, according to God’s word. Carla and I have been praying for her for quite some time. Also, a young man named Christian, 22, came forward after the evening service and said he wanted to get saved. He prayed with Greg and trusted Christ as his Savior. God is doing a wonderful work in Christian’s life. This young man has already spent time in jail, but now is wanting to walk in the way of the Lord. We praise God for the salvation of these precious souls. Please pray for them!

Prayer Requests

- OUR FAMILY’S WELL-BEING
- SOULS SAVED
- NEW CONVERTS SPIRITUAL GROWTH
- GOD’S CONTINUED PROVISION

Greg, Hannah, and Caleb recently attended a two day Bible conference. It was a blessing. The preaching was good and they were able to fellowship with others whom that had not met before. Greg received invitations to go and preach in several churches in the countries of Bolivia, and Paraguay as well as another province here in Argentina. Also, while at this conference, Greg met a lady that has family in a town about 28 miles from Pergamino. She asked him to go visit them as they are Christians but there is

not a good church in their town. *We are making plans to go and hold bible studies with them and see if the Lord opens up a door to get a work started there as well.* **Please pray with us concerning this.**

One of our young men who made a profession of faith some months ago, Adrian, has slipped back into his old world. We ask that you pray with us concerning him. Pray that if he truly is saved, that he’ll be convicted and come back to God. Also, pray that if he isn’t genuinely a child of God, that he will get saved before it is too late.

Our family really needs your prayers. As you might imagine, with all the preaching and evangelization going on, our adversary Satan is going to fight against us and he has been. We have been having some real struggles lately and humbly ask that you hold us up before the throne of grace.

We sincerely appreciate your faithful prayer and financial support of this ministry. God is doing a good work here in Pergamino, and you have a tremendous part in it. It truly is a privilege to represent you all here in Argentina. May the Lord bless each of you abundantly.
