

“...for he hath said, I will never leave thee, nor forsake thee. So that we may boldly say, The Lord is my helper, and I will not fear what man shall do unto me.” Hebrews 13:5-6

Greetings to one and all. It is such a blessing to us to have so many wonderful churches participating faithfully in this ministry. We are aware of the financial hardships that many are experiencing there in the U.S. but your faithfulness in giving to God and to us is a wonderful testimony of your faith! Praise the Lord for each of you!

This past month, we have had some more visitors come to our services. Also, the attendance of our mid-week Bible study has increased by two or three. We praise the Lord for the work He is doing in the hearts of these people. Greg has begun a series of lessons on baptism and church membership. We are praying that God will use this to motivate the people to get baptised and thereby join the church. We are steadily working on preparing this group to formally organize as a church in July of 2010.

Prayer Requests

- God's provision for a property
- God's grace and help upon the young people here
- More souls saved
- Our family / health & safety

It seems that some *members of a local gang* have become upset with our evangelistic efforts and *have begun to make threats against us*. Some of the members are being influenced by the gospel and the work of the Holy Spirit and so the integrity of the gang is being compromised. Please pray for this ministry and our family as we continue to share the truth of God's word with those on the fringes of this society.

Here in Argentina we just celebrated Mother's Day. The young ladies of our group made decorations and decorated the building and many mothers were invited. We had two first-time visitors, praise the Lord. It was good to see those who are not members yet, contributing to the project to make the service special. We also, had a good turn out a few weeks ago for a church picnic.

Please continue to pray for our young people. Some are really going through some difficulties of late. Their old lifestyle and friends are coming back to bother them. We know that this is nothing but the Devil trying to bring them down and disrupt this ministry. As the influence of the gospel grows and the work of this ministry increases we know that we shall encounter difficulties and sufferings. This the Bible clearly teaches, however we count it a blessing to have a part in God's work of reconciliation.
