

**“And if thou draw out thy soul to the hungry, and satisfy the afflicted soul; then shall thy light rise in obscurity, and thy darkness be as the noonday:”  
Isaiah 58:10**

We ask that you pray for the country of Argentina. Recently, the congress voted to legalize the possession and use of drugs. Also, the ruling party continues to take steps to the far left. However, we continue to shine the light of the gospel in this darkness around us. Greg has been taking the gospel, food and clothing into one of the poorest neighborhoods of our city in order to try and reach the lost there. Some of those he has spoken with are considered to be among the worst around. God has protected him in areas where the police don't venture.

### **PRAYER REQUESTS**

- Souls saved
- God's power upon this ministry
- Our young converts
- Provision for a property
- A ministry partner

He has also recently taught another class at the seminary in Rosario. It is such a joy to have a part in the training of more preachers which are in great need here in this country.

Our oldest daughter, Hannah, is making plans to attend there next year as she desires to serve the Lord here in Argentina. Praise the Lord!

### **Special Petitions**

We now have 15 months left on our lease of the building we are using. Undoubtedly, the owner will ask substantially more for us to renew, that is standard practice here. For this and other practical reasons we are asking God to provide us with an empty lot to build on before we are faced with renewing our lease or moving to another site. Several of the young men who now are saved or attend, work in construction and could easily build a church building, if we had a place to put it. We ask that you would make this a special matter of prayer, as we know that God can provide all things according to His will. It would be a great thing to these people here to invest in their own building and we believe it would be a great incentive to do so if God were to provide a property for them.

As the amount of missionaries here is decreasing, and because we believe strongly in the Biblical principle of working in teams it is a great burden on our heart that God would raise up another young man or couple to come take part in this growing and vital ministry! There truly is so much that could be done for the sake of the gospel if there were but more laborers in the field! Please pray with us that others would be called and would surrender to come serve in this part of God's field. God's work truly is great, and the need is great. Wouldn't it be great to have a part in it? We believe so!

Joyfully Serving The Savior,

*Greg Barnes & Family*
